### 六、閱讀測驗

The Country Inn has just reopened under new management. The new owners have done a wonderful job redecorating the inn. The dining room looks bigger, brighter, and prettier than the old one. The food is just as good as before, but, unfortunately, the menu is less varied and more expensive. Good choices are the roast chicken with mashed potatoes, the lobster, and the homemade spaghetti with fresh tomatoes and olives. Be sure to leave room for the desserts. The selection keeps getting better and better. The homemade almond cake is as good as you can get, and the chocolate soufflé is as light as air.

The staff is friendly but not able to handle large numbers of people—the more crowded the restaurant, the slower the service. At dinner time the lines outside this popular restaurant are getting longer and longer. Try lunchtime for a quieter, more relaxed meal.
