NEMO is the biggest science center in the Netherlands; NEMO is located in a striking copper-clad building designed by Renzo Piano. In NEMO both children and adults experience adventures in a world of science and technology in an entertaining way. NEMO takes you on a voyage of discovery between fantasy and reality. Experience a journey through the mind, try to escape the laws of physics, dance and experiment with images, sounds, texts, websites and your own imposter or enter the world of cells, genes, and DNA. Choose NEMO as your destination and you will discover that we cover an enormous range of scientific and technological subjects. At NEMO you are in control! NEMO is your destination! NEMO is located in the historical harbor of Amsterdam, where the U tunnel plunges beneath the water. The roof is a unique plaza. In summer you can visit the beach on the roof of NEMO and enjoy a spectacular view over the city.
