Subject: The Camp

How are you? I'm excited that you may be coming to the International Camp in California this summer. You asked me some questions about the camp. Well, last year there were around 100 students from 12 different countries at the camp. I made friends from Spain, France, Hong Kong, Canada and Australia. Actually, this winter I'm going to Canada to visit one of the friends I met at the camp.

At the camp there were many things to do. For example, we could swim and play tennis, and there was even a dance on the last night! Everyone had to speak English at the camp. It was hard for some people to speak English at first, but by the end of the camp their English was much better. I hope this information helps you. Write back and tell me if you're coming.
